J U D G M E N T

The limited prayer in this writ petition is to consider the request made by the petitioners for upgradation of the Tharuvana Govt. Upper Primary School as a High School.

2. It is contended by the petitioners that the present facilities available in the school are more than sufficient to hold classes for High School section. In fact, higher secondary classes of Vellamunda Higher Secondary School are being conducted in this institution. Anyhow, these are all matters to be looked into by the Government. It is submitted on behalf of the petitioners that the request made by them is eminently justifiable.

In the above facts and circumstances, the writ petition is disposed of with a direction to respondent No.4 to consider and pass orders on the request made by the petitioners in Exts. P8 & P9 in the light of the new guidelines formulated by the Government expeditiously, after affording sufficient opportunity to be heard to the authorised representative of the petitioners.
